

We Honor Veterans

Today, one in four dying Americans is a Veteran. That is why Hospice and Palliative Care of Greensboro (HPCG) participates in the national **We Honor Veterans** hospice partnership—to ensure we are meeting the needs of seriously ill Veterans and their families.

The **We Honor Veterans** program provides tiered recognition to hospice organizations that demonstrate a systematic commitment to improving care for Veterans. HPCG has achieved Level IV status, the highest recognition given.

As a We Honor Veterans partner, HPCG:

- Learns about the unique needs of Veterans and their families.
- Educates staff and the Greater Greensboro community about caring for Veterans facing serious illness.
- Provides a Veteran-to-Veteran volunteer program that pairs Veteran volunteers with hospice patients who are Veterans.
- Coordinates care with the Department of Veteran Affairs and other health care organizations.
